# BLOOM 2022

As the co-chairs for Marygrove's Bloom, we invite you to join us in helping hundreds of children find hope and healing on March 4, 2022! To ensure the continued safety of our community, Bloom 2022 is going hybrid! This means many of our guests can join us in the Four Seasons ballroom while others will be able to enjoy an evening of fun from the comfort of their own home, virtually! The theme for Bloom 2022 is "Disco Fever" and will include an elegant dining experience, a robust live and silent auction, and dancing under the disco lights!

Bloom is instrumental in helping Marygrove raise the funds and awareness needed to enrich the lives of nearly 1,000 children, youth and families each year. Your involvement allows Marygrove to provide a safe home, compassionate care, and high-quality mental health services to children who have experienced significant trauma, to restore their childhood, and equip them for their future.

The enclosed information provides an overview of the many options to participate in Bloom. Your involvement makes a real and meaningful difference in the lives of our young people and gives them the promise of a brighter future. We hope you will join us as we give children in our community a chance to "bloom" into their best possible selves.

**FOR OVER 170 YEARS** Marygrove has been a place where children, youth and families in need have found hope and healing. Marygrove provides a safe home, compassionate care, and high-quality mental health services to children who have experienced significant trauma, to restore their childhood, and equip them for their future. As one of the only organizations in the St. Louis area to provide a comprehensive continuum of residential and community-based programs, Marygrove transforms hundreds of lives each year.

Marygrove provides a full range of behavioral health services including:

### **Therapeutic Residential Treatment**

Residential and Intensive Treatment “cottages” provide a safe and stable living environment while youth receive help to manage emotional and behavioral issues.

### **Therapeutic Foster Care**

Community-based foster homes where children learn to trust and engage positively in a family setting.

### **Transitional Living Program**

On-campus psychiatric group homes provide a foundation of support as young adults pursue academic, occupational and other life skills that advance them toward healthy and productive adult lives.

### **Independent Living Program**

A community-based program where young people, including teen parents, learn important skills which move them toward self-sufficiency.

### **The Marygrove School**

An on-campus, private special education school for children who require more therapeutic support during the day.
