MARYGROVE APPROVED FOR STATE TAX CREDITS

[Florissant, MO, November 1, 2021] – Marygrove is one of the 66 nonprofit organizations in Missouri to benefit from the FY2022 Neighborhood Assistance Program (NAP) Tax Credits Cycle and has been approved for state tax credits under the NAP through Missouri’s Department of Economic Development. NAP helps nonprofit organizations leverage private-sector funds by providing partial state tax credits to businesses that make contributions to approved community improvement projects.

NAP tax credits are available now for qualifying businesses with a Missouri tax liability. Donations benefit the Marygrove Medical Clinic which serves the medical needs of children and youth, ages birth to 21, who are experiencing homelessness, abuse, or abandonment. Marygrove provides a full range of round-the clock shelter, case management, and support services to youth in the St. Louis region.

For over 170 years, Marygrove has been a place where children, youth, and families have found hope and healing. Marygrove provides a safe home, compassionate care, and high-quality mental health services to children who have experienced significant trauma, to restore their childhood, and equip them for their future. As one of the only organizations in the St. Louis metro area to provide a comprehensive continuum of residential and community-based programs, Marygrove transforms nearly 1,000 young lives each year.

Eligible individuals interested in receiving the 50% Missouri state NAP tax credit must make a qualifying donation to benefit the children at Marygrove. Contact Courtney Noto at 314-830-6209 or cnoto@mgstl.org with questions or to donate.
