A MARYGROVE GIVING CLUB

Thankfully, most of us will never know what it's like not to have a happy home, to fight for love, to search for food, to just be safe for another day. But for our kids, their stories are different, more challenging... **and we are thankful we can be their safe haven.**

Our cornerstone service, the Therapeutic Residential Treatment Program, is housed on the Marygrove Campus and is the second largest singular-site residential treatment program in the region, serving more than 120 counties in Missouri and Illinois.

Our kids arrive at Marygrove with immediate needs that include clean clothes, food, and medical treatment. We welcome each child into the Marygrove family by providing round-the-clock care. When kids are hurting, there's no time to wait for help.

## BECOME A HOMEBUILDER

As a Marygrove HomeBuilder, you can change a child's life by providing a happy home, nourishing food, along with love and safety to our kids every day. With your hand in ours, together we will continue to help our kids bloom. Five giving levels are available for your support:

LOVE  
DIGNITY  
COMPASSION  
NURTURE  
SAFETY
