

Join our Young Professionals

Are you a young professional or know someone who is?

Marygrove's Young Professionals Board is recruiting new members!

The mission of our board is to engage and inspire young professionals to raise awareness and funds to help children, youth, and families in need find hope and healing.

For 175 years, Marygrove has provided a safe home, compassionate care, and high-quality mental health services to children and youth who have experienced significant trauma, to restore their childhood, and equip them for productive adulthood.

Board meetings are held the last Monday of every other month, from 6-7pm.
